Screaming and creaming

My bird Sarah is an absolute sex maniac. I thought *Razzle* readers would like to know what she's like.

She loves dressing up in sexy outfits and teasing me by performing strips and bringing herself off in front of me. She's a total exhibitionist.

Her favourite, though, is getting decked out in sexy gear and posing for me and my camera. She loves it almost as much as I do!

The session these photos were taken from was an especially hot one. We always end up having a damn good fuck and this time was no exception.

"She bent over the desk and offered me her pink pussy from behind"

As I believe you can see from the photos, Sarah was in a fucking horny mood. When she came downstairs black lingerie on and a 'fuck me' look in her eyes, my flies almost burst open.

I got my camera out and started whirring away as she peeled her clothes off one by one and her poses got more and more explicit.

By this time I was fumbling around trying to get my hands in my pants and to take pics on the camera but Sarah was up on the desk with her legs wide open, frigging off.

She was totally lost in herself – her head was thrown back as her well-practised fingers danced over her clit. I thought 'Fuck this!' and threw my camera on the floor.

I rushed over to her and, kneeling down, buried my head between her legs. She was about to cum and I lapped at her soft lips as she started trembling.

Then she screamed and creamed all over my face. It ran down my chin and I thirstily licked it up. When Sarah had recovered she got off the desk.

She grabbed my shirt and ripped it open. I mean literally – all the fucking buttons flew off everywhere! She snogged my face off as she wrestled with my jeans.

Sarah always gets randy after a photo session, but this

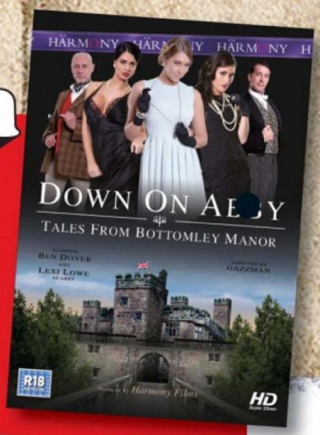
NOBS AND KNOCKERS!



We're more into massive tits than massive hits so *Downton Abbey* kind of passed us by. And anything the Yanks like too much, we're naturally suspicious of. But in the way the Lake District, the Dales and Buckingham Palace are all part of British "industry" these days, flogged to hordes of tourists, we suppose stiff upper-lipped men in frock coats and flouncing fainting tarts in crinoline are as well. However, this costume drama from Television X is notable for its lack of costumes and seeing sexpot Lexi Lowe getting it all out and taking cocks both upstairs and downstairs is always enough to raise the ratings in our trousers. Worth a posh wank at the very least.

was the most worked up I'd ever seen her, or anybody else for that matter.

In a flash my jeans and boxers were round my ankles and my cock was down her throat. She sucked me deep and fast, almost making me cum there and then.

She gently squeezed my balls to stop me spunking and told me she wanted fucking. I wasn't going to argue, I couldn't wait to stick my dick up her soaking wet pussy.

She bent over the desk and offered me her pink pussy from behind. I positioned myself behind her and drove my iron-hard stiffy right up her.

I started pumping like a nutter, because I was just as horny as she was. After she'd cum again she told me she wanted her arse fucked.

I pulled my cock out of her pink hole and eased it into her tight brown one. She was moaning the house down as I started banging it in and out as fast as I could.

Finally, after a good arse tumping, I turned her round and spunked all over her round tits.

The rest of the day was spent satisfying her needs. I was knackered out by the end – but, fuck me, it was worth it!

One day, little Tommy walked in on his parents having a sneaky fuck in the kitchen, and asked what they were doing. His parents told him they were making fish fingers, and he seemed happy with the explanation. About a week later, little Tommy walked in on his parents screwing again, in the bedroom this time. He asked, puzzled, "Mummy, Daddy, are you making fish fingers again?" They both replied that yes, they were, to which Tommy answered, "Well Mummy, you have a little bit of tartare sauce on your chin."

Having lost his job, his wife and his home, a bloke was so depressed he went to jump off a nearby bridge. Standing up on the railings, he looked out at the river below and took a deep breath as he prepared to leap to his death. Just then he noticed a guy with no arms dancing around on the riverbank below. He watched the bloke for a while, then decided that maybe life wasn't so bad after all, and got down. He walked down to the riverbank to thank the man for saving his life. "Thank you," he told the man, "I was about to throw myself off that bridge to end it all, but when I saw you dancing about, despite having no arms, I figured life couldn't be that bad, and changed my mind!" The man looked at him for a second, then started yelling bitterly, "Dancing? I'm not bloody dancing, you cunt! My arsehole itches really badly, and I can't bloody scratch it!"

TRUE CONF

TRIM YOUR QUIM AND GET SOME VIM! A RAZOR IS OFTEN THE ANSWER TO LIFE'S PROBLEMS

I've been going out with my current boyfriend, Marcus, for about a year, now. He's absolutely brilliant in bed, but can be quite demanding sometimes. Fortunately, he's also very attentive to my needs, and loves stroking and touching me. But over the past few weeks he started asking me if I had ever considered shaving my pubic hair.

I've always had quite thick pubes, but it had never even crossed my mind before. Men always seemed more interested in the rest of my body, particularly my boobs (definitely my best feature), which are quite large at 32D, and don't sag an inch.

Marcus has certainly had his fair share of fun with them, and I'd always thought he was a tit man. But his interest in my pubes has certainly caused one or two discussions!

Marcus told me that my bush covered my fanny completely, and that getting the odd flash of my pussy as I walked around the bedroom or whatever was quite a turn-on for him.

So, last weekend while Marcus was out shopping, I got up and ran myself a bath. As I'd already bought a new razor, the next step was to trim my pussy. Until I sat down cross-legged with the mirror between my legs and a pair of small scissors, I didn't realise just how hairy I actually was down there. No wonder Marcus wanted me to shave; I'd really let things go!

Snipping away at the mass of hair between my legs took longer than I thought it would, and once I was finished, I knew I'd reached the point of no return. After a long, leisurely soak in the bath, I sat on the edge of the tub and rubbed foam into my stubble. Then, taking a deep breath, I ran the razor over my pubic mound and looked at the bare, pale skin it revealed. Wow.

After a few strokes, I began to get into the swing of things, to the point where I enjoyed watching my pussy skin slowly emerge from the dark, stubbly forest.

After a few minutes, my pubic triangle had vanished, and I inspected my handiwork. Contrary to what I'd always thought, my pussy lips were actually quite small and neat, and I was quite excited by the view I now had. I was finally beginning to understand what Marcus was going on about.

Unfortunately, I now had to try and shave the area between my pussy and bum hole, which proved to be a lot trickier than I'd thought! Razors aren't really designed to fit into cracks like that, and I ended up standing with one foot on the bath and one on the floor with my head virtually between my legs so I could see what I was doing. After a few strokes, I reached behind myself to check there were no stray hairs. The skin was incredibly sensitive, and I couldn't help but slip a finger between my pussy lips and into my surprisingly wet hole. A few splashes of bath water later, and I was completely clean shaven.

I stood in front of the full mirror in the bedroom to get a better view. My tan might have faded, but my bikini line was still

WorldMags.net

visit www.paulraymond.com

FESSIONS

whiter than the surrounding skin. I turned around and bent at the waist with my arse towards the mirror, and inspected my cunt and bum. It sounds vain, but just looking at my freshly shaven pussy made me horny.

I slipped a hand between my legs from behind, still watching myself, and opened my pussy lips up. Seeing myself like this was like looking at another woman, and I'll admit that I found it quite kinky. My juices glistened inside my fanny, and my forefinger wormed its way inside and slipped deep into my hole. I felt like a filthy lesbian voyeur doing this!

I used my fingers on my shaven snatch, rubbing my clit with my thumb. My genitals were incredibly sensitive, and just stroking my swollen nub brought me teetering to the brink of orgasm. Watching my bare cunt in the mirror as I finger-fucked myself finally sent me over the edge, and I came harder than I had done on my own for absolutely ages.

When Marcus let himself in, that's exactly how he found me: lying naked on the bed, my bare pussy exposed to his gaze the moment he walked in the door. He didn't even speak; he just stripped off and buried his face in my wet mound. The sensation of his tongue rasping across my skin was just incredible, and when Marcus started licking me from my bum hole up to my clit, I was in heaven. I must have cum on his face three times before I had to beg for mercy! The skin was so sensitive that I was on an 'orgasm plateau', and the slightest movement of his tongue on my clit was enough to make my legs shake!

I rolled over on the bed and eased a pillow under my tummy, raising my bottom and opening my legs to him. Marcus straddled me, and as he took his weight on his hands on either side of me, I felt his cock head pressing against the entrance to my slippery hole. It was hot and hard, completely different to the way it normally felt when it was cushioned by my pubes. I came the moment his prick stretched my pussy open, and kept cumming as Marcus fucked me in long, slow strokes. When he started to increase his speed, I had to ask him to stop. I just couldn't take any more.

Disappointed, Marcus rolled off, but I had a better idea. "Wank yourself off over my shaven cunt and arsehole," I instructed him, dirtily. He grinned, and moved back between my legs. I could just about see him in the big mirror, his fist pumping on his meat as he knelt between my thighs. I reached behind me and pulled my arse cheeks apart, so that he could aim for my most private parts. It didn't take him long. I heard him grunt, then felt the impact of his spunk against my bum hole followed by it trickling down my crack and over my pussy lips. I felt like a real slut, and wanted to prove it to Marcus, so I reached down and scooped up a few dollops of his cum and then sucked my fingers clean. Needless to say, I haven't let my pubes grow back since then, although it did take a day or so for my skin to settle down so that we could fuck properly!

"She kneeled down and buried her face in my hot mound. I closed my eyes"

In the summer, a young couple moved into the house next door to us. I met the wife, Tracey, one day when our husbands were at work.

I was hanging out washing and she was doing her garden, and we got chatting. She is 10-12 years younger than me, but we got on really well.

As we were on our knees weeding, we heard a voice.

"So this is what you ladies get up to while we men are out earning a living!"

Tracey's introduced me to her husband Greg – he was so good looking I could have eaten him up!

Greg said he was going to take a photo, and when he went in to get his camera Tracey told me he was photo mad, and had even pestered her to do some photos for a men's magazine.

I couldn't help but tell Tracey I had appeared in Escort before, and how great it was to receive all the fan mail. When Greg came back we were giggling like schoolgirls.

An hour or two later, after a couple of bottles of wine in their front room, we were all quite mellow. Tracey begged me to tell Greg my secret.

I agreed, knowing what was to come next. Sure enough, his face lit up and he nervously asked me if I would consider posing for him.

I told him I would go and get ready and I'd be back in 20 minutes. I returned with my raincoat covering me, and when I removed it his jaw hit the floor.

I was standing there in just my cream silk stockings and undies. After a few photos a prominent bulge appeared in his trousers.

That turned me on and I got very daring with my poses. Tracey had one hand on her glass of wine and the other down her shorts playing with

WorldMags.net

herself, obviously enjoying the show.

When I sat on the garden bench and raised my legs to show off my pussy, Tracey turned to her husband and said, "Don't take any photos of this!"

Then she kneeled down in front of me and buried her face in my hot mound. I closed my eyes as her probing little tongue went to work on my clit.

My juices began to flow, and I opened my eyes to see Greg had his clothes off and his cock was sticking out like a truncheon.

He knelt behind Tracey, slipped her shorts off and carefully guided his cock up her cunt. Muffled moans issued from between my legs as Greg started to fuck Tracey hard and fast.

It didn't take Tracey long to climax, and then Greg pulled out his big glistening cock, still rock-hard. I got down to lick Tracey's fuck juice from his concrete cock.

Greg knew what I wanted and he lay on the grass. I straddled him and slid my soaking pussy down over his throbbing pole.

He pulled me down to kiss him, at the same time spreading my arse cheeks and slipping a finger up my hot arsehole.

We bucked and fucked like animals, and I knew I would not last long. I clamped my pussy on his shaft and came just as he pumped gallons of hot spunk into me.

Unfortunately my husband Ted missed out, but we've promised him a foursome to make up for it!

Tight security for opening

There was a security guard where I work who was leaving so we all went for a drink to see him off.

As the evening wore on it became clear that he fancied me, so after a quick kiss and grope we arranged to meet later in the week.

My husband was waiting for me when I got home and I told him all about my 'date'. It really turned him on and we had some amazing sex that night.

When the evening arrived he helped me decide what to wear. I put on a plain black dress that was just tight enough to make it obvious that it was all I was wearing.

The evening went fine and we walked back to his place. I was nervous but excited at the same time. We went straight to the bedroom.

He unzipped my dress as we kissed. It fell to the floor and he eased me onto the bed. His hands were all over me, squeezing my tits and feeling my very wet pussy. He quickly undressed and I could see that he had a nice stiff cock for me, so he buried his head between my thighs and I began to wank him gently.

As his tongue worked on my clitty he was ramming about three fingers into my hole. Before he made me cum I stopped him so that I could take his cock deep into my

afterwards.

With some spunk still left on my fingers I reached down and started to wank myself, pushing my fingers into my cunt.

This got an instant response and his cock stiffened. He rolled me onto my knees and began licking my pussy again, parting my lips and pushing his cock into me.

He was banging into me really hard as I rubbed my clitty. Then I felt his thumb rubbing at my arsehole so I thrust backwards to encourage him to do it more.

My cunt was oozing juice and he used some to moisten his thumb before slowly pushing it into my arse. It felt so good having both holes filled.

I soon climaxed, but he hadn't finished with me yet. He pushed me down onto my stomach and carried on fucking me from behind.

Before long he was filling my hole with hot spunk, which ran out as he withdrew his cock.

We lay on the bed gently caressing each other until we were ready to go again, and he fucked me in the missionary position.

Afterwards he drove me home, treating me to another helping of spunk on the way. My husband was waiting for me with a raging hard-on.

As I told him the story of my evening, he started fucking me. We didn't sleep much that night, in fact, as we were far too busy fucking.

I have since done the same thing numerous times, once with my husband joining in too!

mouth.

I licked up and down his shaft and his balls and then began to suck just the helmet as I wanked him with my hand.

I pulled away just in time for him to shoot spunk all over my tits. Then I took great delight in watching his face as I rubbed it in, licking my fingers

Ally & Phil

WorldMags.net

"Playfully flicking the tingling tip of my cock, they told me to follow them"

My girlfriend Ally is the tall and willowy type – her legs go on forever – with a nicely-rounded backside and big firm tits.

She's older than I am by just over three years, and (I'm not ashamed to admit it) probably about a hundred years more experienced sexually. Over the last 18 months since we've been together, she has taken the lead sexually and has initiated several rollercoaster romps which have left me reeling with pleasure and marvelling at how unbelievably lucky I am to have found a girl as hot and daring. But of all the things she's done to make our sex life the greatest, the one that really blew my mind happened a few months ago while we were on a fortnight's holiday in sunny Malta.

For the first few days we lounged on the beach and by the hotel pool, taking lengthy breaks from the sun to indulge in some leisurely, carefully drawn-out sex sessions in our room. Then one day after we had exhausted ourselves between screwing and swimming, Ally declared that she had had enough of straight sex for the day and fancied pursuing a different quarry. I was more than a bit shocked, thinking that she'd tired of me and was looking for some other bloke to fuck her. But when she told me that it wasn't a man she was after, and promised to share her conquest with me – I became intrigued... And bloody excited too!

That evening we went to a disco bar near the hotel and Ally and I split up in order to give her space to scout around for pussy. She left me at the bar and, taking her Bacardi with her, went up to a group of other young scantily-clad babes at a table on the far side of the room. She was talking to them and laughing and I could see them smiling back at her and offering her a seat. My head spun. Was it really going to be so easy for her to pick up a woman? Was her female intuition so well honed that she could really tell if they were bisexual or lesbian just by looking at them? Or was she just taking a chance and trying her luck? She's never really

come straight out and told me the answer, but her self-confidence as she visibly worked the group was breathtaking.

As the night went on, she seemed to pair off with one of the most attractive of the women and, as the drinks flowed, they began to dance together, giggling at first, but soon they began grinding against each other sensually, oblivious to the looks they were attracting from the rest of the group. It was an enormous turn-on seeing these two women almost making love on the dance floor, their arms wrapped around each other, not just kissing but deep-throating each other, mouths locked together while their hands roamed freely over buttocks and thighs.

That night, Ally and I made love several times and each time I found it easy to get hard again, my mind focussing continually on the mental images of Ally dancing with the other woman. As we lay together afterwards, Ally told me the girl's name was Nina and that she had arranged to meet her after lunch and go for 'a drive'. Playfully flicking the tingling tip of my cock, she suggested I follow them in our hire car and catch the action.

The next morning, Ally took special care showering, preening and scenting herself for her rendezvous with Nina, eventually settling on a short denim skirt and a halter neck top from our suitcases. She looked so striking that I don't think any woman, no matter how straight, would have been able to resist her.

I already had the hire car parked in the plaza in front of the hotel, and as I sat behind the steering wheel, my balls ached with anticipation. When Nina's car drew up, Ally climbed in and kissed her full on the mouth. Nina responded readily – French kissing her deeply and caressing one of Ally's breasts.

The two girls turned out of the plaza, and I followed at a discreet distance, my cock head already seeping pre-cum. A couple of miles outside town, they pulled into a car park near the beach and drove to the very back of it, away from the general public. I allowed some time for them to get settled, then drove slowly closer to watch the action. They had begun to undress each other by the time I switched off the engine and coasted up to the parked car, peeling each other's clothes off. Nina was stroking and playing with Ally's nipples, tweaking them occasionally. Each time she did so, Ally involuntarily dropped her head to one side and I imagined her venting her intense pleasure in a long, low moan – a sound she always made when she was experiencing bliss!

As I peered into the car I saw them both, two fingers inserted deep into each other's hungry

"I had never been allowed access to this most intimate region of Ally's anatomy"

and sopping pussies, frigging each other into a mutual frenzy. They were bucking gently atop the other's fists, oblivious to their surroundings as they rode each other's fingers to climax. Nina came first – literally screaming – and Ally clamped a hand over her mouth to stifle the noise, even though she herself was plainly cumming off hard at that very moment.

By now, I was more desperate for relief than I'd ever been in my life. As they lay together kissing and caressing, I used the break in their activities to get out of the hire car and move in even closer.

For the next few moments the girls kissed, readying themselves to go again. Exchanging smiles and kisses, they fetched a rug from the boot, spreading it on the ground near the chain link fence on the far perimeter of the car park, away from prying eyes – except mine!

Stretching out on the rug in the glaring sunshine, they embraced again. To my delight, Nina began to suck Ally's toes, taking each one between her teeth in turn and nibbling it tenderly while maintaining eye contact. Ally reciprocated by caressing Nina's breasts and drawing her nipples deep into her mouth – sucking hard until Nina was almost sobbing with pleasure.

Ally eventually quietened and calmed her with a whisper and I saw Nina nod agreement to something. I soon found out what, when Nina began to position Ally on her elbows and knees. Snaking her body around behind Ally like the utterly abandoned bitch Ally was teaching her to be, Nina began to lick my girl's bum hole, forcing her tongue into Ally's cleft and bobbing her face slowly up and down the length of her crack.

I wrenched my cast-iron tool from my jeans; this was too much for me – and too much for Ally, who became so turned on by this treatment that she began to frig herself furiously. Nina replied by licking her index finger, then using it to penetrate and very gently frig Ally's ring in time with Ally's wanking. I had never been allowed access to this most

intimate region of Ally's anatomy, and couldn't help but feel a slight stab of (strangely thrilling!) jealousy.

Her eyes blazing, Ally gently pushed Nina back onto her elbows and spread her legs wide. I was now so close as to be able to see every detail. Ally parted the girl's pussy flaps, licking her vulva and drawing the engorged labia into her mouth with pursed lips, while her tongue worked the wet shiny hood of her new lover's clitoris.

Nina clamped her thighs tight against the sides of Ally's face and began to grind her pussy against Ally's nose and chin, gasping and twisting Ally's hair in her fingers to force her face harder against her soaking vagina.

The sharp scent of Nina's juicy arousal pricked my nostrils and from the gyrations of her bare bum I could sense that she was well on her way to another – and probably much louder – orgasm. Ally sensed it too and I could hear her sucking harder, one hand slightly raised in readiness to muffle the piercing squeal we both knew to be imminent.

An instant later, Ally's palm closed gently over Nina's mouth, muting an ecstatic roar as the girl's body shuddered and convulsed uncontrollably.

I must have groaned, because Ally suddenly looked up at me, glanced to the still-convulsing bundle cradled in her arms… And gave me a mischievous grin.

I could contain myself no longer; my hand clamped firmly around my cock I began wanking strongly just inches from them, and my spunk jetted out, lacing itself in streaks on the entwined lesbian lovers.

Feeling my hot cum splash her leg and tum, Nina – who until then had appeared to be almost in a trance – seemed to notice me for the first time.

Her reaction to being spunked on (once she'd realised who I was, of course)? A beaming smile of unmistakable gratitude, for allowing my wonderful girlfriend to open up a whole new world of bodily pleasures for her.

KIARA

Whipping up something nice for her boyfriend in the kitchen is kinky Kiara – but it's her on the menu tonight. "I feel like licking tonight!" she purrs, peeling off the last of her flimsy underwear. "I've showered, trimmed myself and am all ready for a feast of fucking. The only thing I need is an apple in my mouth!"

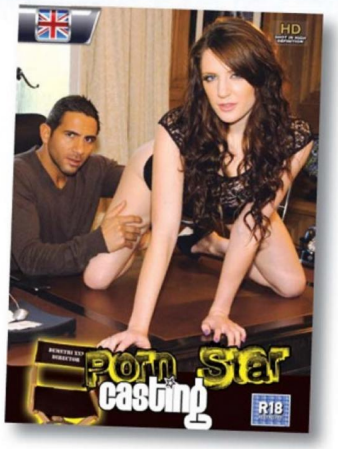
FILM PHW

THE FILMS THAT ARE DEFINITELY "NOT SAFE FOR WORK"

On the Job

Porn Star Casting



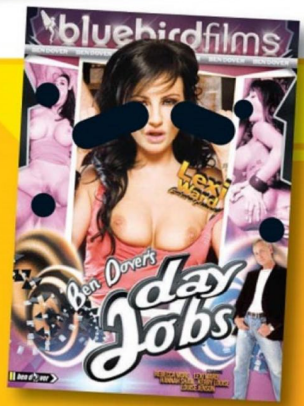
Released by: Adult Channel Uncut
Starring: Samantha Bentley, Carla Mai, Brooklyn Blue, Jasmine Jae

BEST BITS: What do you mean 'porn star' doesn't qualify as a job? They get paid, don't they? And even starlets have to have interviews, of sorts. It may not be the most original idea, but the guys at Adult Channel Uncut were always onto a winner when they chose the cast for this production. Up-and-coming babe Brooklyn Blue (*left*) is everything you want in a porn star: she's beautiful, well-stacked, fucks like a whore and talks filth like nobody else. Oh, and she sucks dick like a pro, too, but then we guess she is! We also love Samantha Bentley's performance: the brunette vixen oozes sexuality from every pore so when she turns the heat up a notch, she virtually sizzles!

WORST BITS: As well as Demetri XXX directing the movie, he also stars – in every scene. This wouldn't be so bad if he didn't come across so fuckin' smarmy!

DVD FEATURES: Trailers.

Ben Dover's Day Jobs



Released by: Bluebird Films
Starring: Kerry Louise, Rebecca More, Hannah Shaw (*below*), Louise Jenson

BEST BITS: Say what you like about Ben Dover – he knows how to make a porno! Every girl featured is fit as fuck, they all have huge knockers and there's a nice age range, too – good for those who want some variation in their grot! Filthy MILF Rebecca More takes on Ben and his mate in a scorching threesome; Kerry Louise plays a sexy barmaid more interested in pulling punters than pints; and, clad in pink leg warmers and heels, Louise Jenson (*left*) plays an unconvincing personal trainer – but luckily her acting skills don't get in the way of an enthusiastic three-way, leaving her with two mouthfuls of man-juice.

WORST BITS: If you're not a huge fan of Ben Dover you're bang out of luck here, as he makes sure he gets his knob polished in all five scenes – with the same old 'geeza' jokes he's been doing for years.

DVD FEATURES: Cumshot recap, trailers.

OOOAAR!

Spread

Released by: Digital Playground
Starring: Kayden Kross, Yurizan Beltran, Adrianna Luna, Christy Mack, MacKenzee Pierce

BEST BITS: From the title, you'd be forgiven for thinking this glossy affair was about spreading legs, but no, it actually refers to the catering van that lead girl Kayden Kross (*below*) and her rather gorgeous employee, Adrianna Luna (*left*) are running. However, rather than set every scene in said truck, the locations vary from a police station (when Kayden gets arrested) to a hospital bed (don't ask!) with the plot more like that of an ongoing soap opera than a XXX flick. Kayden is the best thing in the movie, though, which is why she's been a DP contract girl for so long.

WORST BITS: No resolution at the end of the movie – the writers literally lose the plot.

4.5/5

DVD FEATURES: BTS featurette, photo gallery, trailers.

Dirty Masseur 4

Released by: Brazzers
Starring: Aletta Ocean, Brooklyn Lee, Alexis Monroe (*below*), Karina White, Diana Prince

BEST BITS: It's rare for a porno plot but here it's the women who are getting the happy finish from males. Brooklyn Lee always gives us a stonking hard-on, but seeing her amazingly fit oiled-up body getting dicked in the sunshine almost made us cum in our collective pants. Hungarian hottie Aletta Ocean has earned a name for herself as a pretty dirty bird and she doesn't disappoint here, taking her stunt-cock in every one of her holes admirably. With a fantastic cast, great lighting, different locations and an unusual storyline, this is on our 'one to watch' list.

4/5

WORST BITS: Group scene needed to break up the couple combinations.

DVD FEATURES: Bonus scene starring Jenni Lee.
